

# Welcome to the Institute of Religion

## Spring 2021 Class Schedule January 11th - April 23rd

"...young adults, your ability to be smarter and wiser and have more impact on the world than any previous generation is completely dependent upon the level of your devotion to Jesus Christ. The more you follow Him, the more successful you will be..."

What, then, will help you become such a devout disciple of Jesus Christ?

One answer is **institute**—not just attending but actively participating... Graduating from institute will increase your ability to excel in the most important things you will ever do in life."

**PRESIDENT RUSSELL M. NELSON**
